

PRU MANAGEMENT COMMITTEE

COMPLAINTS PROCEDURE

Who can make a complaint?

This Complaints Procedure is not limited to parents or carers of students who are registered at the CBC or RAP, hereinafter the 'Provision'. Any person, including members of the public, may make a complaint to the Provision about any of its facilities or services that it provides. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this Complaints Procedure.

The difference between a concern and a complaint

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the Complaints Procedure. The Governing Body takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, Mr lafrate, Headteacher, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, [Mr lafrate](#) will refer you to another staff member. The member of staff may be more senior but does not have to be.

The ability to consider the concern objectively and impartially is more important.

We understand, however, that there are occasions when people would like to raise their concerns formally. In this case, the Provision will attempt to resolve the issue internally, through the stages outlined within this Complaints Procedure.

How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf on a Complainant, as long as they have appropriate consent to do so.

Concerns should be raised with either the class teacher or Headteacher. If the issue remains unresolved, the next step is to make a formal complaint.

Complainants should not approach individual Member of the PRU Management Committee (hereinafter referred to as the 'Committee') to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the procedure.

Complaints against CBC/RAP staff (except the Headteacher) should be made in the first instance, to the Headteacher, via the CBC/RAP office, as appropriate. They should be marked as 'Private and Confidential'.

Complaints that involve or are about the Headteacher should be addressed to Cllr. Martin Sachs, Chair of the Committee, via CNC's or RAP's office, as appropriate. They should be marked as 'Private and Confidential'.

Complaints about the Chair of the Committee, any individual Member of it or the whole Committee, should be addressed to Mrs T. Rubery, the Clerk to the Committee, via the CBC/RAP office, as appropriate. They should be marked as 'Private and Confidential'.

For ease of use, a template (separate) complaint form for each of CBC and RAP is included at the end of this procedure. If you require help in completing the form, please contact the relevant office (CBC or RAP). Third party organisations, e.g. Citizens Advice, may also be able to provide help.

In accordance with equality law, the Committee will consider making reasonable adjustments if required, to enable Complainants to access and complete this Complaints Procedure. For instance, providing information in alternative formats, assisting Complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

The Committee will not normally investigate anonymous complaints. However, the Headteacher or its Chair, if appropriate, will determine whether the complaint warrants an investigation.

Timescales

Complaints must be raised within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of the incidents. Complaints made outside of this timeframe will only be considered in exceptional circumstances.

Complaints received outside of term time

The Committee will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Scope of this Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by CBC/RAP, other than complaints that are dealt with under other statutory procedures, including those listed below.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in it being suspended until those public bodies have completed their investigations.

If a Complainant commences legal action against the Provision in relation to their complaint, the Complaints Procedure may be suspended in relation to their complaint until those legal proceedings have concluded.

Resolving complaints

At each stage in the procedure, the Provision wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review policies, where necessary and appropriate, in light of the complaint
- an apology.

Withdrawal of a Complaint

If a Complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Stage 1

Formal complaints must be made to the Headteacher (unless they are about the Headteacher), via the CBC/RAP office. This may be done in person, in writing (preferably on the Complaint Form), or by telephone.

The Headteacher will record the date the complaint is received and will acknowledge its receipt in writing (either by letter or email) within five school days.

Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the Complainant would like to see. The Headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

Note: *The Headteacher may delegate the investigation to another member of the Provision's senior leadership team but not the decision to be taken.*

During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Headteacher will provide a formal written response within twenty five school days of the date of receipt of the complaint.

If the Headteacher is unable to meet this deadline, they will provide the Complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Provision will take to resolve the complaint.

The Headteacher will advise the Complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1.

If the complaint is about the Headteacher, or a member of the Governing Body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 1.

Complaints about the Headteacher or member of the Governing Body must be made to the Clerk, via the CBC/RAP office.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Governing Body or
- the majority of the Governing Body

Stage 1 will be considered by an independent investigator appointed by the Governing Body. At the conclusion of their investigation, the independent investigator will provide a formal written response.

Stage 2

If the Complainant is dissatisfied with the outcome at Stage 1 and wishes to take the matter further, they can escalate the complaint to Stage 2 – a meeting with members of the Governing Body's Complaints Panel, which will be formed of the first three, impartial, Committee Members available. This is the final stage of the Complaints Procedure.

A request to escalate to Stage 2 must be made to the Clerk, via the school office, within **ten school days** of receipt of the Stage 1 response.

The Clerk will record the date the complaint is received and acknowledge its receipt in writing (either by letter or email) within **five school days**.

Requests received outside of this timeframe will only be considered if exceptional circumstances apply.

The Clerk will write to the Complainant to inform them of the date of the meeting. They will aim to convene a meeting **within fifteen school days** of receipt of the Stage 2 request. If this is not possible, the Clerk will provide an anticipated date and keep the Complainant informed.

If the Complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the Complainant's absence on the basis of written submissions from both parties.

The Complaints Panel will consist of at least three Committee Members with no prior involvement or knowledge of the complaint. Prior to the meeting, they will decide amongst themselves who will act as Chair of the Complaints Panel. If there are fewer than three Members of the Committee available, the Clerk will source any additional, independent governors through another local school or through the LA's Governor Services' team, in order to complete the make up the Panel.

Alternatively, an entirely independent Panel may be convened to hear the complaint.

The Panel will decide whether to deal with the complaint by inviting parties to a meeting or through written representations, but in making their decision they will be sensitive to the Complainant's needs.

If the Complainant is invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the Panel meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a CBC/RAP employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: *Complaints about staff conduct will not generally be handled under this Complaints Procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them. Representatives from the media are not permitted to attend.*

At least **ten school days** before the meeting, the Clerk will:

- confirm and notify the Complainant of the date, time and venue of the meeting, ensuring that, if the Complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the Panel at least **five school days** before the meeting.

Any written material will be circulated to all parties at least **three school days** before the date of the meeting. The Panel will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The Panel will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a Complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The Panel will consider the complaint and all the evidence presented. It can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the Panel will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the Provision's systems or procedures to prevent similar issues in the future.

The Chair of the Panel will provide the Complainant and Headteacher/Chair of the Committee with a full explanation of their decision and the reason(s) for it, in writing, within **ten school days**.

The letter to the Complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by CBC/RAP.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Committee or
- a majority of the membership of the Committee

Stage 2 will be heard by a Panel of independent governors.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Committee will take to resolve the complaint.

The response will also advise the Complainant of how to escalate their complaint should they remain dissatisfied.

Next Steps

If the Complainant believes the Committee did not handle their complaint in accordance with its published Complaints Procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by the Committee. They will consider whether it has adhered to education legislation and any statutory policies connected with the complaint.

The Complainant can refer their complaint to the Department for Education online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

Department for Education
Piccadilly Gate
Store Street
Manchester
M1 2WD.

Roles and Responsibilities

Complainant

The Complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the Provision in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising details of their complaint on social media and respect confidentiality.

Investigator

The Investigator's role is to establish the facts relevant to the complaint by:

- providing comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the Complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint

- consideration of records and other relevant information
- analysing information
- liaising with the Complainant and the complaints co-ordinator as appropriate to clarify what the Complainant feels would put things right.

The Investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the Headteacher or Complaints Panel that sets out the facts, identifies solutions and recommends courses of action to resolve problems.

The Headteacher or Complaints Panel will then determine whether to uphold or dismiss the complaint and communicate that decision to the Complainant, providing the appropriate escalation details.

Complaints Co-ordinator: This will normally be Mrs T. Rubery, Clerk to the Committee.

The complaints co-ordinator should:

- ensure that the Complainant is fully updated at each stage of the procedure
- liaise with staff members, Headteacher, Chair of the Panel, Clerk and LAs (if appropriate) to ensure the smooth running of the procedure
- be aware of issues regarding:
 - sharing third party information
 - additional support. This may be needed by Complainants when making a complaint including interpretation support or where the Complainant is a child or young person
- keep records.

Clerk to the Panel

The Clerk is the contact point for the Complainant and the Panel and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example; stage 1 paperwork, Provision's and Complainant's submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the Panel's decision.

Panel Chair

The Panel's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Clerk) to provide any additional information relating to the

- complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- Complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the Complainant is a child/young person
- the remit of the Panel is explained to the Complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.
If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting
- both the Complainant and the Provision are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the Panel members are open-minded and act independently
- no member of the Panel has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if the Provision has one).

Panel Member

Panel members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so

No governor may sit on the Panel if they have had a prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the Provision and the Complainant

It is recognised that the Complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many Complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the Complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The Panel should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the Complainant, the Panel should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the Complainant, the Panel should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the Panel considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.

Serial and Unreasonable Complaints

The Committee is committed to dealing with all complaints fairly and impartially and to providing a high-quality service to those who complain. The Complainant's contact with CBC/RAP will not normally be limited. However, staff are not expected to tolerate unacceptable behaviour and so the Committee will take action to protect its staff from that behaviour, including that which is abusive, offensive or threatening.

Unreasonable behaviour is defined as that which hinders our consideration of complaints because of the frequency or nature of the Complainant's contact with the Provision, such as, if the Complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to co-operate with the complaints investigation process
- refuses to accept that certain issues are not within the scope of the Complaints Procedure
- insists on the complaint being dealt with in ways which are incompatible with the Complaints Procedure or with good practice
- introduces trivial or irrelevant information which they expect to be taken into account and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- refuses to accept the findings of the investigation into that complaint where the Complaints Procedure has been fully and properly implemented and completed including referral to the Department for Education
- seeks an unrealistic outcome
- makes excessive demands on the Provision's time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the Provision that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the Headteacher or Chair of the Committee will discuss any concerns with the Complainant informally before applying an '*unreasonable*' marking.

If the behaviour continues, the Headteacher will write to the Complainant explaining that their behaviour is unreasonable and ask them to change it. For Complainants who excessively contact the Provision causing a significant level of disruption, we may specify methods of

communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the Police and communicate our actions in writing. This may include barring an individual from the Provision's premises.
